

Training, Technical Assistance and Coaching Guide and Calendar

The CANS NY Technical Assistance Institute provides coaching, training, and technical assistance, and support for the implementation of Transformational Collaborative outcomes Management. Our team provides training, technical assistance and coaching to support New York State's Health Home Serving Children program.

Training Sessions

CANS-NY Introductory Training	CANS-NY Supervisory Training	Building Engagement with Youth and Families Training	Building a Person-Centered Plan of Care: Supporting a Quality Plan Development and Implementation
This live training course delves into the philosophy and approach of the CANS NY 2.0. Though attendance is mandatory for Health Home Care Managers and Supervisors, it is advised that CANS NY 2.0 assessors attend prior to completing the web based CANS NY 2.0 certifications course.	Supervisors will develop their own skills related to fluency in using the CANS NY 2.0, while learning strategies for developing the skills of their supervisees. **Live Introductory training is a Pre-requisite	This course is focused on effective engagement, building rapport, and demonstrating transparency when completing the CANS NY 2.0 with children/youth and their families. **This live training is a Pre-requisite for Plan of Care Training	This training series will help care managers connect the CANS-NY Assessment to the care planning process. Care managers will learn to build a person-centered Plan of Care (POC) in collaboration with the child/youth, and family.

Technical Assistance

Trainer/Coaches are available for live help Monday-Friday from 9am-5pm
help@CANSNYInstitute.org

Group Coaching

Group coaching is a 90-minute virtual session. The CANS NY coaching team coordinates with supervisors to assist their teams in the reliable use of the tool to support transformational change for children and their families.

NY Coaching Drop In Office Hour

Group Coaching Live Office Hour is a monthly session focused on topics related to implementation of the CANS NY 2.0.
